

# BETHANY GANO

## 2023 VIRTUAL BOOK TOUR!

This bashful little beaver has a gigantic secret...

Lulu tries to be a typical beaver, but, with creativity bursting at the seams, her secret is getting out! What will happen when her family and friends find out she doesn't fit in?

With funny asides, sound effects, and elements of comic-book style, Bethany Gano's debut, eye-opening tale urges kids to confront gloomy thinking — and gives them the courage to bravely share their gifts.

*"[Lulu] loves the rhythms of the world and cherishes her forest neighbors—but she also dreams in color and yearns to chew stumps into shapes. Ebullience ferries this inspiring tale forward, and the revelation of Lulu's beautiful differences is a triumphant moment for all."*

— Foreword Reviews (Starred Review)

*"The idea of feeling...boxed in by others' expectations...is a complicated subject to tackle, but Gano handles it deftly. Younger readers plagued by self-doubt — as well as those who are decisively creative — will find this path to confidence and daring to live your wildest dreams encouraging."*

— BookLife Review (Editor's Pick)

Lulu's story was published through a Kickstarter Campaign in March, 2022, and placed into kids' hands across the United States, Canada, England, Italy, and Australia! The hardcover book was released in December, 2022 in a fantastic, 48-page, edition — ready for trade.

Bethany would love to celebrate this launch with you and bring the kids in your school a big boost of creativity. She will leave them armed and ready to flip any gloomy thinking that comes their way. Bethany hosts an interactive "CHOMP!"-filled read-aloud, quizzes kids on beaver trivia, and unpacks thoughts about creativity, bravery, perseverance, and more!

2022 Gold Medal Winner of the President's Award for Children's Book Illustration from the Florida Authors and Publishers Association.

Virtual tour visits are available on select dates in January-March. For additional availability, contact below.

*“Bethany Gano’s visit to our Kindergartners and First Graders has been the highlight of our year so far! Bethany emailed us an excellent little activity book to engage the kids before she came to visit. Lulu the Beaver has the sweetest message, and many of our students related to Lulu themselves. Bethany was so great with our littles, sharing beaver facts with them that they absolutely loved! Also, she brought beautiful pieces of artwork to show our students — they all really enjoyed it! Our school was very thankful for her visit, and we can’t wait to see what other books she puts out there for us to read and adore!”*
